MySideline Manager

The MySideline Manager tool provides Team Managers and Club/League Administrators the ability to access a range of features to assist in match day and training functions, anywhere and anytime from their mobile phone.

Accessing MySideline Manager

Team Managers should access <https://manager.mysideline.com.au/> and select Login with NRL Account.

Login using your NRL Account or click Sign Up to create an account. (Note: the login is the same as what you use to register and / or access MySideline).

Register as a volunteer with your club through www.playrugbyleague.com.au.

Once you have created an NRL account and registered as a volunteer, ask your Club or Association Administrator to add you as an admin to your Team.

Squad Management

The squad management feature is available to Club Administrators only. It provides the ability to assign registered participants (players & team staff) to their relevant squad according to their age or competition type, making them available for team selection on game-day. It's important that all participants taking part in an upcoming match are assigned to the squad prior to a match, so they are available for selection.

My Members

This feature allows Club Administrators to view all registered participants at their club, whilst a Team Administrator will only see those Members that have been assigned to their Team via Squad Management.

The My Members area allows an Administrator to view the basic member details for participants, such as Name, Date of Birth, Email, Mobile, Emergency Contact and Health Details.

Team Lists and Digital Cards

The Team List feature provides administrators with the ability to assign players and team staff to an upcoming match, select their position (if required) and add their jersey number. Once a team is submitted, digital member cards for each participant will be available to verify a team list prior to a match commencing.

Submitting a Team List

- Select 'Team Lists' from the menu.
- Select the Match you would like to submit the team list for. For convenience, upcoming matches will be ordered first.
- Select both players and officials (team staff) participating in the match. Note: participants assigned to the previous match will automatically be assigned to the match in a draft format. This will save administrators having to re-add a team list each week and instead will only be required to make any necessary changes.
- If required, you can make any necessary adjustment such as removing participants or changing their jersey number.
- If a participant is not available for selection in the team list, it is likely they have not been assigned to your squad.
- Select 'Submit'. Important: Please ensure you select the 'Submit' button after you have assigned the team or made any modification to save and update the team list
- After selecting the submit button you will be provided with the following options:
 - (i) Submit the team list and remain on the current screen to either view digital cards or make any further changes

- (ii) Submit & Score to submit the team list and continue to 'Match Management' to start managing and scoring a match.
- Now that you have assigned your team list, you can view your cards and your team list will be pre-populated on your printed sign on sheet.

NOTE: Please see following Cheat Sheet for Saving Your Team List

Digital Cards

- Prior to viewing team cards, you will first need to ensure the team list has been submitted.
- Once the Team list is submitted, select the 'Cards' Button.
- Navigate through and check each card for verification purposes.
- Details displayed on each card include Member Photo, Full Name, Member Type, Date of Birth, NRL ID Number, Competition Name, Team Name, Club Name and Logo, Accreditations (Team Staff), and Dispensations (if applicable)

Team Lists must be submitted through the MySideline Manager by **10am Friday** to enable sign on sheets to be generated and distributed to hosting clubs for the weekends matches.

Note: If you do not submit a team list, your sign on sheet will be blank and you will be required to manually complete the sheet.

Sign on Sheets are generated through MySideline and distributed to hosting clubs on the Friday before the weekend matches. It is the hosting club's responsibility to print off the sign on sheets and have them available for team managers.

Managing a Match

MySideline Manager has a feature to allow managers to live score. However, many Leagues continue to use sign on sheets generated from MySideline to record game results and match statistics. Please contact your Local League Administrator to ensure that you are aware of the local processes.

If your club would like to live score, and your local League allows for live scoring, the process and more information can be found through the MySideline Manager Course via the NRL Online Learning Centre.

Entering Match Results in MySideline

Host Clubs should ensure that they enter all match results from games hosted at their grounds.

Club Administrators are required to log into <https://manager.mysideline.com.au/> and ensure they are logged in at CLUB ADMIN level. They can then select the team that played in the fixture and enter and save the result.

Player Registrations

You should encourage all of your players to register at the earliest convenience. This makes planning for your Club easier, along with team nominations and other processes moving towards the start of the season.

All player registrations must be completed via www.playrugbyleague.com.

Parents of returning players should be advised that they will need to have an active NRL Account to complete the online registration form and will need to link their children's player profiles to that NRL Account. The NRL Account should be created with the email account previously linked to the child's player profile.

If they have any issues with linking their children's profiles to their NRL Account, they can access a Help Desk by clicking the HELP icon on the bottom right of the registration page.

New players that are registering for the first time will need to upload both a copy of their Birth Certificate along with a current photo (head and shoulders against a white background).

If this is not completed at the time that they register online, your Club Secretary or Registrar may approach you to obtain these documents or images from parents or players.

Players without current photos may be unable to have their registration approved.

Clearances

NSWRL Transfer Policy

Team Managers should make themselves aware of, and ensure that they understand, the NSWRL Transfer Policy which limits player movement to and from teams in all age groups from Under 6 to Under 17s.

The basic principles allow for the following recruitment by teams:

A maximum of **FOUR** players can be recruited from Clubs **INTERNALLY** (within your District) – only TWO players are allowed to come to you from any one Club internally in any one age group.

A maximum of **FOUR** players can be recruited from Clubs **EXTERNALLY** from any other District – only TWO players are allowed to come to you from any one Club externally in any one age group.

If your team played in the Division 1 Grand Final in the previous season, then you cannot recruit **ANY** player that played Division 1 in the previous season. You can still recruit Division 2 players or players that are new to the game or did not participate in the previous season.

Exceptional circumstances may be considered in relation to the above restrictions. If you believe that exceptional circumstances apply to a player that has requested transfer to your Club and team then you should discuss the process for appeal with regards to the Transfer Policy.

Players Needing a Clearance

Players coming to your team that require a clearance (which is any player that has previously played Rugby League) can initiate that clearance themselves online.

They simply follow the registration process at www.playrugbyleague.com and when they select your Club they will be informed that they need a clearance and the clearance process will then start automatically.

Clearances need to be approved by many different levels. For an external clearance, which is a player coming to you from another Sydney Metro District then the following levels of approval are required:

- » Club leaving
- » District Leaving
- » NSWRL Sydney Metro Region
- » District coming to
- » Club coming to

If the player is coming to you from interstate then other levels are added to the list.

Clearances should be completed and fully processed within 10 days.

Once the clearance has been processed at all of the required levels, the player / parent will need to complete the online registration process. An email will be sent to them to remind them to do this.

If you have any issues with a clearance for a player then you should contact your Club Registrar who can advise you of the current status of the clearance and can also assist with asking other Clubs, Districts or Leagues to complete their level of approval.

Communication

With Players

You should endeavour to create a team contact list with both email and phone contacts for each player in your team.

With Junior and Junior International teams (U6 to U15) we would suggest communication is made between the Team Manager and parents / carers of players and not directly to players.

Although we understand with Under 16 to Under 18s teams that most players will be able to receive and deliver information independently of their parents / carers, we would still suggest that parents / carers are included in any communication to players.

Utilisation of social networking sites such as Team App, What's App and other instant messaging services along with Facebook, Snapchat and other group messaging platforms can be extremely effective to manage group communication.

If you do look to establish a communication group, then it should be first approved by your Club. Ensure that when you are communicating with teams that you have an independent member of your Clubs Committee in your communication group.

You should be reminded that the NRL National Code of Conduct refers to the use of social media and personal messaging. Any breach of the following clause in the NRL National Code of Conduct can result in a breach notice being issued and suspensions or other penalties as determined by a Code of Conduct Tribunal may be enforced.

› Celebrate the "good news" stories, and understand that cyber-bullying, which includes negative or demeaning comments, status posts, personal messages or emails, is deemed as a serious form of harassment.

With your Club

You should ensure that you have all the appropriate contact information for your Club.

You should have the following contacts, at a minimum:

- » Club President
- » Club Secretary
- » Club Registrar

With the Junior League

In the first instance, if you need to contact your local League, you should approach your Club President or Secretary.

Contact with your local League should only be through your Club President or Secretary who can raise any concerns, or have any questions answered.

With NSWRL

In the first instance, if you need to contact the NSWRL you should approach your Club President or Secretary.

Contact with NSWRL should only be through your Club President or Secretary who can raise any concerns, or have any questions answered.

What to do if you have a complaint

If you have a complaint about behaviour at a ground, then please contact your Club Secretary. They can assist with submitting a Code of Conduct Online Report to the NSWRL.

If you have a complaint about a decision made by your local League, then please contact your Club Secretary who can contact the League directly.

If you have a complaint about a decision made by NSWRL with regards to the Transfer Policy, a Judiciary or Code of Conduct matter, or a rule application or other decision, please contact your Club Secretary who can contact NSWRL.

If you have an internal complaint at your Club, then please contact your Club President or Club Secretary. If you are unable to find a resolution internally then you can contact your local League or NSWRL for MPIO assistance.

Requirements for Team Staff

Coach Requirements

As a Team Manager you should ensure that you have an appropriately accredited Coach assigned to your team.

Each Coach needs to undertake an age specific Community Coach course which will include online eLearning modules which need to be completed before the start of the season. There is also a Face to Face workshop that will be attended by all new coaches a few weeks into the season so they can discuss their early experiences.

All Coach Education Courses are facilitated by the NRL Game Development team.

NRL Game Development will set course dates at the start of each season. If your coach needs assistance, please contact your Club Secretary who will direct them to the appropriate course.

Coaches who have not completed their accreditations by 30 June of the season will be unable to continue to coach either at training or on game day. It is important that you ensure your coach is compliant before this date.

More information on Community Coach courses can be found at <https://www.playrugbyleague.com/coach>.

Trainer Requirements

As a Team Manager you should ensure that you have an appropriately accredited Sports Trainer assigned to your team.

Each age group has a different requirement under the NRL On-Field Policy which relates to trainers at Community Rugby League matches (https://www.playrugbyleague.com/media/11096/nrl-on-field-policy_p005_v40_21022019-1.pdf?_ga=2.213806172.996035730.1678764369-1892715027.1661294432).

As Team Manager, you should assist your coach with recruiting a trainer for your team. Once recruited then you should direct them to attain the appropriate accreditation for your age group from the table below:

| Age Group | Minimum Accreditation | Trainer Shirt Colour |
|--------------------------------------|------------------------|----------------------|
| Under 6 to Under 9 | League First Aid | Green |
| Under 10 to Under 15 (including Tag) | League First Aid | Green |
| Under 16 to Open Age | Level 1 Sports Trainer | Blue |

The League First Aid course is a one-day face to face course that organised by NRL Game Development. Your local NRL Game Development Officer will set course dates at the start of each season. Please contact your Club Secretary to assist with booking a place in an appropriate course.

The Level 1 Sports Trainer course is a two-day face to face course that is facilitated through Sports Medicine Australia (SMA). NRL Game Development will set course dates at the start of each season. Please contact your Club Secretary to assist with booking a place in an appropriate course.

For volunteers that would like to not be an official trainer, but would like to run water for their team, there is an online League Safe course is that is offered by the NRL. The course is FREE for all volunteers. For any of the volunteers in your team that would like to undertake the course they can register and complete the course through the following link <https://www.playrugbyleague.com/trainer/trainer-courses/leaguesafe/>.

More information on all Sports Trainer courses can be found at <https://www.playrugbyleague.com/trainer>.

IMPORTANT NOTE WITH REGARDS TO TRAINERS ON GAME DAY:

During Under 6 to Under 12s matches home venues should ensure that there is, at a minimum, a volunteer with a League First Aid accreditation in attendance for games to proceed.

In Under 13s to Under 15s matches **EACH TEAM** must have, at a minimum, a League First Aid accredited trainer in attendance or **GAMES WILL NOT PROCEED**.

In Under 16s to Open Age matches **EACH TEAM** must have, at a minimum, an accredited Level 1 Sports Trainer in attendance or **GAMES WILL NOT PROCEED**.

If you are informed that your Sports Trainer is unable to attend on game day, please contact your Club **IMMEDIATELY** to ensure that you can find a suitably qualified replacement so your game can proceed. There will be no exceptions to the above rules. Any team that does not present with the appropriate sports trainer will be unable to play and will be deemed to have forfeited their match.

Team Staff Identification on Game Day

You should ensure that all of your Team Staff members identification 'cards' appear on your MySideline Manager App so they can be presented to the Ground Manager on game day. If you have any team staff missing, please contact your Club Secretary to make sure that they are:

1. Properly registered with the Club
2. Assigned to your squad on MySideline

What to do with Sign on Sheets After the Game

On completion of the match, referee, ground manager and opposing manager sign the sign on sheet. Before you sign the opposition sign on sheet you should check that the final score matches your sign on sheet.

Sign on sheets are to be left with the ground manager. For your records, take a photo of your teams sign on sheet

Identification of Players, Team Staff and Spectators

In the event of any incident that is in contravention of the NRL National Code of Conduct, whether it occurs before, during or after a game, it is important that a Team Manager agrees to participate in the identification of any player, team staff member or spectator as required.

If you are asked by the Ground Manager or Referee to identify any member of your team or a member of your spectator group, you are required to assist in the identification of that person.

Keep in mind, if you do not agree to assist in the identification of a person involved in an incident then as per the NSWRL Tough Love in League Policy your team may be suspended until the person is identified.

Rules on Suspended Players, Team Staff and Spectators

Team Managers should be aware of the rules, as they apply, to suspended players, team staff and spectators.

If a player is suspended, the following rules apply:

While suspended, a player:

- » Cannot be inside the spectator fence or rope (the playing area) at any Junior League ground at any time while Junior League games are taking place

- » Cannot be involved in team warm up activities or matches at team talks prior to and during any Rugby League Activity.
- » Can assist with barbeques, field set up, canteen etc. – providing the points above are adhered to

If a parent, spectator, or an official or player is banned from attending Community Rugby League matches, the following will apply:

Parents / Spectators / Officials Banned from Attending Junior League Matches

Parents, spectators, and any other officials or players of the game who are banned from attending Junior League matches by a Junior League Affiliated Tribunal must not be in attendance at any Community Rugby League match, including, but not limited to:

- » Junior League Matches, including trial games
- » Schoolboy Rugby League Matches
- » Club Heritage Matches
- » League Gala Days and the like

Should a person banned from attending Junior League matches be found in breach of these conditions, the hosting club has the responsibility to request the match be suspended until such time as the offending person leaves the venue. The club is to report the matter to the relevant Junior League Manager and / or the NSWRL. The relevant Tribunal will issue a Code of Conduct Breach Notice. Following any hearing, the League reserves the right to suspend or deregister any siblings or relatives of the offender as it sees fit.

It is the responsibility of Clubs and their officials to ensure that any suspension is served as per the above instructions. Any Club or Official that is found to be supporting a suspended person either having access to a player or team, or attending where they have been suspended from doing so, may face disciplinary action before the NSW Community Rugby League Association or Local League Administrator.

Players from Other Age Groups

Playing Up an Age Group Form and Process

If you have any players playing up in your team from the age group below, be it for the whole season, on a regular basis or even just on one or two occasions, then a fully completed and approved NSW CRLA Playing in a Higher Age Group form should be obtained and kept in your Team Managers Folders at all times.

Please note that players in Mod Football tackle competitions (U6-U12) are not able to apply for dispensation to play more than 1 year above their natural age group. **

If you require a NSW CRLA Playing in a Higher Age Group Consent form, please ask your Club Registrar or your Club Secretary.

IN TACKLE COMPETITIONS:

For players playing up ONE age group (1 YEAR UP) the form should be completed and signed by the parent and the Club before the player takes the field in the higher age group. The form then needs to be submitted to the League Administrator for approval and upload to the players MySideline Member Record.

For players wishing to play up TWO age groups (2 YEARS UP) the form needs to be completed and signed by the parent and the Club and the form needs to be submitted to the League Administrator, along with supporting letter from a Senior Club Coach, BEFORE the player takes the field. The League Administrator will then submit the form to NSWRL for final approval and dispensation will be added to the players MySideline Member Record so the player can be assigned to the squad.

IN TAG COMPETITIONS:

Players can play up to THREE years above their natural age group. For all Tag players, the form should be completed and signed by the parent before the player takes the field in the higher age group. The form then needs to be submitted to the League Administrator for approval and upload to the players MySideline Member Record.

Judiciary

In all NSWRL Community Rugby League Competitions, when a player is 'sent off' by the Referee they will likely be charged by the NSW CRLA Judiciary.

What happens if a player is sent off?

If a player is sent from the field by the Referee, they will need to leave the playing area and remove their playing jersey. They are not able to remain on the bench. Managers / Coaches should ensure that the player leaves the playing area and if they remain at the ground they do so without incident.

Once the game has finished, the Referee will complete a report on the send-off. This will either be done manually with a duplicate form at the ground, or they will complete an online form with details of the offence. The Referee will suggest a grading for the offence.

Judiciary Send Off Reports will be collated by NSWRL on the Monday following all the weekend's games, and the reports will be sent to an assessor for review of gradings. Once gradings have been confirmed, the NSWRL League and Club Support Coordinator will create paperwork related to the player and the associated charge and send it to the players Club on the Tuesday morning. This will include a Notice of Charge, a Notice of Plea and a Notice of Hearing.

In the Notice of Charge, the offence will be listed, along with the points penalty for the offence (please see below Points Table for more information). The player will have three options:

- » Plead GUILTY and accept the penalty on the Notice of Charge
- » Plead NO CONTEST and accept the penalty on the Notice of Charge (minus any Early Plea discount)
- » Plead GUILTY BUT DISPUTE THE GRADING where the player accepts that they committed the offence, however they would like to reduce the grading of the charge
- » Plead NOT GUILTY. Players pleading NOT GUILTY will need to attend a Judiciary Hearing (see below for more information on hearings)

Notices of Plea need to be returned to the NSWRL League and Club Support Coordinator by 9am Wednesday morning. If you are unable to return the Notice of Plea within that timeframe, the players Club President or Secretary should contact the NSWRL League and Club Support Coordinator as soon as possible to discuss the matter.

Judiciary Hearings

If a player pleads NOT GUILTY to a Judiciary Charge, or pleads GUILTY BUT DISPUTES THE GRADING, they will be required to attend a Judiciary Hearing.

Details of the Hearing location will be provided with the Notice of Hearing sent to the club with the Notice of Charge. (Please note: NSWRL reserves the right to hold Judiciary Hearings by electronic methods i.e. Online Teams / Zoom meetings where required).

Players attending a Judiciary Hearing should be supported by a Club Representative.

For more information regarding the Judiciary Process, including a video that has more detail around the Hearing process, use the following link:

<https://www.nswrl.com.au/competitions/judiciary/>

Points Table

The following Points Table outlines the penalties for different offences with associated gradings. Please note that 100 points equals a one match suspension. For all Grade 4 (SERIOUS) gradings, players will be referred directly to the Judiciary Panel to attend a Hearing.

Code of Conduct

The NRL National Code of Conduct

The NRL National Code of Conduct provides all participants – players, parents, coaches, referees, spectators and officials – with some simple rules that assist in delivering a safe and positive environment to everyone involved in the game.

You can download a copy of the Code of Conduct from the following link:

<https://www.playrugbyleague.com/referee/laws-of-the-game/code-of-conduct/>

Summary of Offences

Breaches of the NRL National Code of Conduct may result in penalties, including but not limited to:

- » Suspension of a match and / or
- » Termination of a match (including potential forfeiture of competition points) and / or
- » Monetary fines and / or
- » Suspension of any participant (player, official or supporter) on a temporary or permanent basis and / or
- » Suspension of a Club, League or Association on a temporary or permanent basis.

What will happen if a report is made about someone in your team?

If a report is made with regards to someone in your team, be it a player, a team official or a spectator, NSWRL will contact your Club with details of the alleged breach of the Code of Conduct and will either issue an Adjudicated Breach Notice or a Notice of Charge.

An Adjudicated Breach Notice is a letter which will outline the offence and an associated penalty. This will generally be a short period of suspension or it will be a 'suspended' penalty, in other words, a suspension that will not be enforced unless there is another offence committed by the person charged.

A Notice of Charge will proceed in the same process a Judiciary Notice of Charge (please see previous section).

In any of the above instances if you require any assistance or any information please feel free to ask your Club Secretary to contact your NSWRL League and Club Support Coordinator who can take you through the process in detail.

How to Make a Report

Should you experience any behaviour which you think may constitute a breach of the NRL National Code of Conduct, your Club can submit an online report to NSWRL. Reports will be investigated and, if necessary, charges will be sent to any participant who is deemed to have breached the NRL National Code of Conduct.

If you think a breach has occurred, please contact your Club Secretary or President who can submit a report using the following link:
